Science Fair Display Evaluation

Look through the projects on display to see how various topics were investigated. Keep your topic choices in mind while you are looking. Choose 8 projects to evaluate. Read through the entire display to answer the evaluation questions below. Use this scale to evaluate the display's overall quality.

1 - Needs much work

2 - Could use more work

3 - Average

4 - Good job

5 - Excellent

My 3 topic choices are:

2. Display 1 Title: _____

Investigator(s): _____

Hypothesis: _____

The hypothesis was : proven disproven

Identify 2 things that make this display a quality product.

Identify 2 things that could improve the quality of this display.

Overall Quality of Display : 1 2 3 4 5

3. Display 2 Title: _____

Investigator(s): _____

Hypothesis: _____

The hypothesis was : proven disproven

Identify 2 things that make this display a quality product.

Identify 2 things that could improve the quality of this display.

Overall Quality of Display : 1 2 3 4 5

4. Display 3 Title: _____

Investigator(s): _____

Hypothesis: _____

The hypothesis was : proven disproven

Identify 2 things that make this display a quality product.

Identify 2 things that could improve the quality of this display.

Overall Quality of Display : 1 2 3 4 5

5. Display 4 Title: _____

Investigator(s): _____

Hypothesis: _____

The hypothesis was : proven disproven

Identify 2 things that make this display a quality product.

Identify 2 things that could improve the quality of this display.

Overall Quality of Display : 1 2 3 4 5

6. Display 5 Title: _____

Investigator(s): _____

Hypothesis: _____

The hypothesis was : proven disproven

Identify 2 things that make this display a quality product.

Identify 2 things that could improve the quality of this display.

Overall Quality of Display : 1 2 3 4 5

7. Display 6 Title: _____

Investigator(s): _____

Hypothesis: _____

The hypothesis was : proven disproven

Identify 2 things that make this display a quality product.

Identify 2 things that could improve the quality of this display.

Overall Quality of Display : 1 2 3 4 5

8. Display 7 Title: _____

Investigator(s): _____

Hypothesis: _____

The hypothesis was : proven disproven

Identify 2 things that make this display a quality product.

Identify 2 things that could improve the quality of this display.

Overall Quality of Display : 1 2 3 4 5

9. Display 8 Title: _____

Investigator(s): _____

Hypothesis: _____

The hypothesis was : proven disproven

Identify 2 things that make this display a quality product.

Identify 2 things that could improve the quality of this display.

Overall Quality of Display : 1 2 3 4 5

10. After looking through the science fair displays, what new topic(s) (if any) are you now interested in investigating?

11. After looking through the science fair displays, my final 3 topic choices are:
